Employer Name	Description
ANF Group, Inc.	<p>Since 1981 ANF Group, Inc. has been providing quality preconstruction, construction management, general contracting and design-build services to the South Florida Market. Our experience and attention to detail, passion for work and executive involvement are the groundwork we bring on every project. We are an industry leader in commercial, multi-family, and education construction, and have played a vital role in the highly specialized niche of healthcare construction with expertise working on active campuses, laboratories, and research facilities.</p>
Archer Western a member of The Walsh Group	<p>The Walsh Group is a fourth-generation family-owned company that provides design, build, finance, operation, and activation services. We operate as Walsh Construction, Archer Western, and Walsh Canada across 18 regional offices. Consistently ranked as one of the largest contractors in North America, we are delivering some of the most complex and challenging projects in the building, transportation, and water markets. Our 8,000 employees are united by a shared dedication to delivering exceptional customer service while upholding the highest standards of ethics, quality, and safety.</p>
Baker Concrete Construction	<p>Bakers company culture centers on pushing the limits and excelling client satisfaction. Using responsiveness, flexibility and open communication, we create strong, lasting internal and external relationships. Baker co-workers dont just work together; we support, protect and encourage each other as family.</p>
Balfour Beatty	<p>Balfour Beatty is an industry-leading provider of general contracting, at-risk construction management, and design-build services for public and private sector clients across the United States. Balfour Beatty's US Buildings business has markets following the coastline from the Northwest to the Mid-Atlantic, with a primary focus on market sectors that include Corporate/office, education, healthcare, hospitality, and mixed-use/retail.</p>
Brasfield & Gorrie	<p>Founded in 1964, Brasfield & Gorrie is one of the nations largest privately held construction firms, providing general contracting, design-build, and construction management services for a wide variety of markets. We are skilled in construction best practices, including virtual design and construction, integrated project delivery, and Lean construction, but we are best known for our preconstruction and self-perform expertise and exceptional client service. Brasfield & Gorrie has 13 offices and more than 3,500 employees. Our 2022 revenues were \$5 billion. Engineering News-Record ranks Brasfield & Gorrie 22nd among the nations Top 400 Contractors for 2022. Brasfield & Gorrie is ENR Southeast's 2022 Contractor of the Year.</p>

Employer Name	Description
Brickell Group	<p>Brickell Group Construction sets new standards in the South Florida commercial construction markets with its evolved way of thinking. We strive to build and nurture long-term relationships, always ensuring seamless teamwork. We treat every project as if it were our own and make every effort to create an environment where value and quality go hand in hand. By adopting this collaborative, integrated, and efficient approach, we execute new and better ways to deliver fast-tracked, complex construction projects with the speed, efficiency, and reliability today's markets demand. These professionals are fully integrated into our team, offering assurance and ability consistent with Brickell Group's reputation.</p>
Ceco Concrete Construction	<p>CECO CONCRETE CONSTRUCTION, LLC is a leading provider of concrete formwork services for the construction industry. Ceco utilizes efficient construction techniques, which allows them to finish projects on time and within budget. We've been around awhile and that doesn't happen without integrity and commitment to safety, quality and productivity. Our concrete construction engineers and field crews build more than 200 projects each year throughout the nation representing approximately 20 million square feet of contact area. We love what we do and it shows in our people and our work. Ceco builds everything from custom homes to football stadiums. If you're looking for value from concept to completion, look no further than Ceco.</p>
Charley Toppino & Sons	<p>Charley Toppino and Sons is a family-owned construction business built on the principles of hard work and a drive for success. Since founder Charley Toppino arrived in the U.S. and blazed the trail in the early 1900s, we have completed thousands of projects in the Florida Keys and South Florida. With more than 100 years in the industry, we have vast experience in all things construction. When it comes to general contracting, site development, and demolition, we are uniquely able to provide construction management services or self-perform a wide variety of work. In addition to working in the government and municipal sectors, we also offer construction services in the private sector.</p>
Coastal Construction	<p>Coastal Construction, spanning five generations with the Murphy Family, has built in South Florida for over 25 years. Employing 400+ people, we specialize in Commercial, Hospitality, Education, Residential, Mixed-Use, Interiors, Worship, Historic Restoration, and Disaster Recovery. Recognized as ENR Southeast's "Contractor of the Year" in 2014, our Chairman and CEO, Tom P. Murphy, Jr., received the inaugural "Legacy Award." With a remarkable 85% repeat client rate, Coastal excels in adapting to client needs and project challenges. Beyond our achievements, our philanthropic arm, Coastal Cares, supports numerous South Florida organizations, embodying our core values of Integrity, Safety, Quality Workmanship, and Long-Term Relationships.</p>
