

BIM COORDINATOR

OVERVIEW

About NV2A Group

NV2A brings to South Florida world-class construction management services with the personal touch that only a truly local firm can offer. Our directive is to create positive industry change through excellence in service, outstanding people-centric culture, and corporate social responsibility.

The Role

We are currently searching to fill a full-time position for an entry-level BIM Coordinator to work on multiple large-scale construction projects in the South Florida area.

RESPONSIBILITIES

- Review 3D Models from consultants and contractors
- Conduct clash detection and visual walkthroughs using NavisWorks Manage
- Audit and review models in Autodesk Revit
- Hold weekly coordination meetings with project team members
- Early design review and constructability analysis
- Manage / Update BIM Project Documents
- BIM standards development, implementation, and enforcement
- 3D Model Quantity Takeoffs / Verification
- 4D Scheduling / Simulation using Autodesk NavisWorks
- To contribute or otherwise assist as required

QUALIFICATIONS

- Able to demonstrate the ability to undertake the above responsibilities
- Knowledge in Autodesk Revit, NavisWorks & AutoCAD
 - at least 1-2 years of experience
- Knowledge of basic construction processes and procedures
- Advanced PC skills, specifically Microsoft Windows Applications
- Completed coursework in Construction, Architecture, or an equivalent combination of training and/or work experience
- *Preferred:* Experience with Primavera P6, Procore, and/or BIM Track
