# Construction Management

## COMPANY DESCRIPTIONS

**FIU** | Engineering & Computing

Moss School of Construction,  
Infrastructure and Sustainability

Employer Name	Description
Advanced Stucco	Established in 1995, Advanced Stucco is a licensed, insured, and bonded specialty commercial contractor for multifamily condominiums and high-rises. Whether the project is in Anguilla, the British Virgin Islands, or throughout the United States, Advanced Stucco is committed to personalized service and is unequalled in quality and detail.
AECOM	For 77 years, AECOM Hunt has been known as one of the nation's leading construction services firms, consistently ranking among the top contractors by Engineering News-Record. Growth and innovation are the cornerstones of the AECOM Hunt team, and we pride ourselves on being among the best in construction management, design-build, integrated project delivery, general contracting, and preconstruction services. In a dozen different industries, AECOM Hunt is positioned to handle the most challenging projects. If you dream it, we'll build it.
ANF Group, Inc.	Since 1981, ANF Group, Inc. has been providing quality preconstruction, construction management, general contracting, and design-build services to the South Florida market. Our experience and attention to detail, passion for work, and executive involvement are the groundwork we bring to every project. We are an industry leader in commercial, multi-family, and education construction, and have played a vital role in the highly specialized niche of healthcare construction with expertise working on active campuses, laboratories, and research facilities. We have built our outstanding reputation with hard work, long-term relationships, and an understanding of the agility needed to adapt to the ever-changing construction industry.
Archer Western a member of The Walsh Group	The Walsh Group is a fourth-generation family-owned company providing design, build, finance, operation, and activation services. We operate as Walsh Construction, Archer Western, and Walsh Canada across 20 regional offices. Consistently ranked as one of the largest contractors in North America, we are delivering some of the most complex and challenging projects in the building, transportation, and water markets. Our 8,000 employees are united by a shared dedication to delivering exceptional customer service while upholding the highest standards of ethics, quality, and safety.
Atlantic Pacific Management	Atlantic   Pacific (A   P) is a fourth-generation real estate company. At Atlantic   Pacific, we recognize that we are in the 'people' business and that our #1 resource is our team. We encourage every one of our employees to continue to learn and develop their business skills and real estate knowledge by providing training, mentoring, and opportunities for professional advancement. Our commitment to providing each employee with a strong sense of contribution enables us to attract and retain top talent in each of the markets we serve.

Employer Name	Description
Baker Construction	<p>Baker’s company culture centers on pushing the limits and excelling in client satisfaction. Using responsiveness, flexibility, and open communication, we create strong, lasting internal and external relationships. Baker co-workers don’t just work together; we support, protect, and encourage each other as family. Our mission is “to be the pre-eminent concrete construction company through continuous improvement and commitment to safety, people, quality service, the customer, and value.” We utilize this mission throughout the company to move our work forward and spark lasting contributions to our people, our communities, and the construction industry as a whole.</p>
Balfour Beatty (Construction)	<p>Balfour Beatty is an industry-leading provider of general contracting, at-risk construction management, and design-build services for public and private sector clients across the United States. The company is part of Balfour Beatty plc (LSE: BBY), a leading international infrastructure group that provides innovative and efficient infrastructure that underpins our daily lives, supports communities, and enables economic growth. Balfour Beatty is ranked among the top domestic building contractors in the United States by Engineering News-Record.</p>
Brasfield & Gorrie	<p>Founded in 1964, Brasfield &amp; Gorrie is one of the nation’s largest privately held construction firms, providing general contracting, design-build, and construction management services for a wide variety of markets. We are skilled in construction best practices, including virtual design and construction, integrated project delivery, and Lean construction, but we are best known for our preconstruction and self-perform expertise and exceptional client service. Brasfield &amp; Gorrie has 13 offices and more than 3,500 employees. Our 2023 revenues were \$5 billion. Engineering News-Record ranks Brasfield &amp; Gorrie 22nd among the nation’s “Top 400 Contractors” for 2021. Brasfield &amp; Gorrie is ENR Southeast’s 2023 Contractor of the Year.</p>
CAVH South Florida	<p>At CAVH, we pride ourselves on being one of the top manufacturers' representatives in all of Florida, covering the state from the Panhandle down to the Keys and beyond. We engage with general and mechanical contractors, architects, and end users to facilitate the selections, design, and provision of all their HVAC needs. We don’t sell products; we sell service!</p>
Ceco Concrete Construction	<p>Ceco Concrete Construction      CECO CONCRETE CONSTRUCTION, LLC is a leading provider of concrete formwork services for the construction industry. Ceco utilizes efficient construction techniques, which allows them to finish projects on time and within budget. We've been around a while, and that doesn't happen without integrity and commitment to safety, quality, and productivity. Our concrete construction engineers and field crews build more than 200 projects each year throughout the nation, representing approximately 20 million square feet of contact area. We love what we do, and it shows in our people and our work. If you're looking for value from concept to completion, look no further than Ceco.</p>

Employer Name	Description
Coastal Construction	<p>Coastal Construction Group, led by the Murphy Family, has built throughout South Florida for five generations. With over 25 years in Florida, Coastal employs 400+ people and serves both public and private clients across nine markets: Commercial, Hospitality, Education, Residential, Mixed-Use, Interiors, Worship, Historic Restoration, and Disaster Recovery. Recognized for excellence, Coastal was named ENR Southeast's "Contractor of the Year" in 2014, and Chairman Tom P. Murphy, Jr. received ENR's first "Legacy Award." Coastal's success is reflected in its 85% repeat client rate. Through Coastal Cares, the company also gives back to the community, supporting numerous organizations across South Florida.</p>
Cumming Group	<p>Jumpstart your career with one of America's fastest-growing Project and Cost Management Consultancies! We're ranked in the ENR Top 20, with over 50 offices worldwide and a diverse project portfolio that includes everything from luxury residential to high-end retail. Our newly expanded Miami office is buzzing with innovation, and our fun, collaborative culture makes it a fantastic place to work and grow. Ready to make your mark? Swing by our booth and discover how you can be part of our exciting, rapidly growing team!</p>
D.Torr General Contractors, Inc	<p>D.Torr General Contractors was founded with the right people in mind, our customers and their unique project needs and goals. Our main goal on the other hand is very simple, it's always customer satisfaction. Our team of experienced construction management professionals have over 60 combined years of excellence in the field. Rest assured your project is in good hands. At D.Torr, we specialize in healthcare and higher education construction.</p>
Diligent Services, Inc	<p>"We Are Diligent! Diligent is guided by five principles: customer obsession rather than competitor focus, passion for invention, commitment to operational excellence, long-term thinking, and using profits &amp; growth to build a better world."</p>
DPR Construction	<p>DPR Construction is a forward-thinking, self-performing general contractor and construction manager specializing in technically complex and sustainable projects for the advanced technology, life sciences, healthcare, higher education, and commercial markets. If you want to build great things, opportunity at DPR is limitless. We work with you to help you realize your potential, making sure you have the chance to problem-solve, lead, follow, and try something new. In 2023, DPR was recognized as one of America's Best Employers by Forbes and as one of Fast Company's Best Companies for Innovators.</p>

Verdex Construction is headquartered in West Palm Beach, FL, with offices in Tampa and Gainesville. From day one, we have strived to diversify our portfolio to include projects from all market sectors. We currently specialize in multifamily, senior living, hospitality, commercial, education, public/institutional, industrial, and tenant improvements. Our team of 120+, including industry veterans, has worked together to build our culture of “Building Something Better” by being engaged, solutions-oriented, and unwavering in our commitment to our owners.</p>
<p><b>Western Specialty Contractors</b></p>	<p>Family-owned and operated since 1915, Western Specialty Contractors is America’s largest specialty contractor in masonry, concrete, waterproofing, and facades restoration with 30 branches across the United States.</p>
<p><b>Whiting-Turner Contracting Company</b></p>	<p>Whiting-Turner provides construction management, general contracting, design-build, and integrated project delivery services on projects both small and large for a diverse group of customers. With over 60 offices nationwide, Whiting-Turner has a strong presence throughout the country. We pride ourselves on familiarity with our local communities and our ability to give our clients the attention of a small business with the resources of a national corporation. Whiting-Turner’s growth and success are attributable to the belief in and strict adherence to the core values established over a century ago by our founder, G.W.C. Whiting, and exemplified by subsequent president Timothy Regan.</p>
<p><b>Wright Brothers Contracting Services, Inc.</b></p>	<p>We have been serving South Florida since 2008. Our founder, Yin Kyi, had worked in the industry for years and felt that customers deserved more out of the services being provided. He started Wright Brothers as a way for customers to have the best possible experience when seeking a contractor to perform work for them. Yin has spent years assembling the team of talented contractors, technicians and support staff that Wright Brothers offers. Our primary location is here in the heart of Palm Beach County, but we provide our service between Orlando and Miami. Wright Brothers has served both residential and commercial clients across all of our lines of business. We hold licensing in HVAC, Electrical, Plumbing, Mechanical.</p>
